Manifesto

We believe in the American country club experience: mixed doubles, a long steam, and a stiff cocktail.

We believe in the quality of treatments; not the quantity of treatments.

We believe you can swim right after you eat.

We believe enlightenment is more likely found reading Kierkegaard than tea leaves;

If you are willing to work, we're willing to work with you.

(there is more where this came from)
But... are you starting to get the picture??
